## Dear Parents,

Holidays are time when you can connect with your child in many ways. As you are your child's first and most important teacher, you can encourage your child's love of learning by participating in different activities at home working together will help your child build confidence, learn to reason and develop skills necessary for his / her education . Holidays can be utilized for activities which are difficult to do during the school routine.

- Give quality time to your child.
- Take them for morning walk.
- Read books with them.
- Tell them stories from the panchtantra or Indian Mythology.
- Teach them games like carrom, Ludo, Scrable, So that they do not watch too much T.V.
- Allot a fixed time for T.V.
- There are endless possibilities . We just have to be a little creative and give our time.

Note:- Homework must be done in given worksheets.
